

**Team Green Landscaping, a leader in Northern Nevada landscape design and installation, is searching for a Landscape Foreman/LEADER that shares our principles and values.**

- Drug free lifestyle
- Honesty and integrity with our clients, vendors, co-workers, friends, and family
- Enthusiasm in our work and pride in our products and services
- Superior and reputable workmanship with lasting value
- Forging and maintaining meaningful and productive relationships with our clients and community
- Punctuality, promptness, and readiness as a way of life
- Commitment to safety so that our Team and clients go home each night, healthy

### **Job Description/Technical Skills**

- Install and maintain landscape in varying outdoor weather conditions
- Operation of hand tools normally used in landscaping
- Familiarity with measurements and reading drawings
- Understand production goals, job budgets and timely completion of projects
- Oversee, train, and motivate crews of varying size and diversity
- Basic knowledge of irrigation systems
- Know common plant material and how to install and maintain
- Ground preparation experience
- Hardscape prep and installation skills
- Written and verbal communication skills

### **Basic employment requirements**

- ✓ Valid driver's license and reliable transportation to and from work
- ✓ Pre-employment drug screening
- ✓ Proof of ability to legally work in the US
- ✓ Personal cell phone
- ✓ Minimum 3 years of experience in the Green Industry
- ✓ Previous leadership experience
- ✓ No facial tattoos or facial jewelry while on the clock
